

Dear Sgt. Sager,

Hello, this is Cadet Jessica Lowrance and I just wanted to say thank you very much for giving me an experience that I will never forget. When I first received my letter of acceptance into this camp I was excited, but then fear started to set in. I was wondering whether or not this camp would be like boot camp and I was also worried about how much running we would have to do. All in all, the Kiwanis Law enforcement camp was a mixture of a fun camp and boot camp. Without cadence, the running would have been a whole lot harder, but the cadence made it fun.

Within the short week that I was under your instruction I learned many things that will help me out greatly in my career path. Going to this camp just reinforced my goal of becoming a law enforcement officer and taught me to be a little more firm in giving commands. Most of the classes were great and I loved defensive tactics. I would say that the best part of the camp was when we got to beat you up with an ASP in DT. That was fun. The judgment simulator was excellent and extremely realistic. It really showed me how to deal with certain situations even though when it was my turn I forgot to give verbal commands. It is hard for me to just name a couple things that I loved about the camp because honestly I loved the whole thing and I would do it a thousand times over again. Anyway, I want to thank you for being a great instructor and congratulations again on the promotion-you definitely deserved it.

P.S. Our surprise on Monday was fantastic.

Sincerely,
Jessica Lowrance
